We are pleased to announce the first annual **Spring Into Handmade Indie Craft Market!**

The Spring Into Handmade Indie Craft Market is an indoor and outdoor event that is different from your traditional craft fair. Featuring over 20 local artists and crafters selling their work for generally under \$50, there's sure to be something for everyone's budget. Some offerings include traditional craft items such as handmade jewelry, pottery, and knitwear but also gooco prints, shadow boxes, upcycled art and jewelry, zines and origami.

There is no admission for the Craft Market. The first 30 attendees will receive a goody bag filled with swag from the vendors. There will also be various raffles of wares provided by some of our vendors and sponsors. Face painting and mask making will also be available for small fees.

Skip the mall, shop local!
